

SAHIBDEEP SINGH

Full-Stack Developer | Professional Coder | Digital Creator

### PROFESSIONAL SUMMARY

Dynamic Coder and Developer with a passion for building scalable digital solutions. As a Creator, I bridge the gap between technical architecture and user engagement, maintaining a strong community presence through high-quality tech content.

### TECHNICAL SKILLS

- Languages: Python, JavaScript, Java, C++, HTML5, CSS3.
- Developer Tools: Git, GitHub, VS Code, API Development.
- Creative Suite: Video Editing, Digital Branding, Content Strategy.

### EXPERIENCE

Lead Developer & Content Creator | 2022 – Present

- Architected and deployed custom applications and automated scripts.
- Grew a tech-focused community by providing high-value coding tutorials.
- Managed cross-platform digital presence, ensuring consistent branding and engagement.
